

GENERAL INFORMATION

Congratulations on receiving a tag for the Klamath River Roosevelt Elk Hunt! We hope that your hunt will be a successful one. Please remember that this hunting opportunity is being provided on private land owned by the Simpson Resource Company. You are a guest of the landowner. The success of this hunt and the continuance of the program depend on your cooperation with the personnel of the Department of Fish and Game (Department) and Simpson Resource Company.

HUNTER ORIENTATION

All permit holders will be required to attend an orientation meeting at **9 a.m. on Tuesday, September 2nd** at the Orick Grange Hall which is located on the east side of U.S. Highway 101 (north of Redwood Creek) in the community of Orick (about 45 miles north of Eureka). A map showing the orientation meeting location is attached. After the orientation, Department staff will be available for questions, etc. Hunters will be allowed to enter the hunt area following orientation to familiarize themselves with the roads and terrain on the day preceding the hunt. A detailed map of the hunt area will be available at the orientation meeting. Due to duplication costs, a \$10.00 fee (cash only) will be charged for each map.

RULES AND REGULATIONS

A more detailed list of rules and regulations will be provided to you at the orientation, however, be aware of the following items so you can plan accordingly:

1. Each permit holder may be accompanied by not more than two non-hunters, neither of which may be in possession of firearms or bows and arrows. No assistance will be given from Simpson/Department employees.
2. Each permit holder may be in possession of only one legal firearm or bow while on the hunt area. No pistols or shotguns may be possessed.
3. Only one vehicle for each permit holder will be permitted on the hunt area.
4. Vehicles with trailers will not be permitted on the hunt area.
5. In general, only vehicles licensed for use on public roads will be permitted. Once an elk is taken however, all-terrain vehicles (ATV) or trailers may be permitted (subject to discretion of Simpson Resource Company and Department personnel).
6. Each hunter should have a shovel, ax or handsaw (not chain saw) and fire extinguisher in the vehicle.
7. Horses or dogs will not be permitted on the hunt area.
8. Camping is not permitted on Simpson Resource Company land.
9. Fires of any kind are prohibited.
10. Hunting for species other than elk is prohibited.

11. Tooth collection envelopes should have been provided to you upon receipt of your elk tag. We are requesting successful hunters collect an incisor from their animal and mail it to the address given with the envelope.

TRAVEL TIPS

Motels, trailer parks, private campgrounds and restaurants are available in Arcata, Eureka, Klamath, Orick and Crescent City. Public camping facilities are located at Redwood National and State Parks near Orick. Cold storage lockers for meat processing can be found in Eureka, Arcata and Crescent City.

WEATHER

Although the north coast is known for its fog and heavy rainfall, weather conditions are variable and may even be dry and warm in September. The hunting area is steep and mountainous. Much of the area is covered by dense forest and brush fields interspersed with meadows and newer more open clear cut patches. Although elk sign is distributed throughout the hunt area, hunting will not be easy. **We strongly recommend that prior to the orientation, all hunters take the opportunity to review elk hunting literature and videos which are readily available.**

Roosevelt elk are large animals. Adult bulls average about 700 pounds field dressed, so be prepared for a lot of work once you get one down. No assistance will be given from Simpson/Department employees. All hunters must return elk tags to the Department within one week after the close of the elk season regardless of whether an elk was taken.

If you have any questions regarding the Klamath River Roosevelt Elk Hunt, please contact Wildlife Management personnel in our Eureka office, 619 Second Street, Eureka, California 95501 or by telephone (707) 445-6493. **Please do not contact Simpson Resource Company.**

We're looking forward to seeing you at the orientation. Again, congratulations and we hope you have an enjoyable hunt.

2003 Klamath River Roosevelt Elk Hunt Orientation Meeting Located at the Orick Grange (east side Hwy 101), Sept. 2nd at 9 a.m.
